

YCT are pleased to announce the following appointments:

Katy Bradbury to the role of Clinical Lead.

Katy joined YCT from ADAS in January as Service Coordinator and made an instant impact. We are delighted that she is able to take the step up to the Clinical Lead role bringing with her a wealth of therapeutic experience and a far reaching network. We have no doubt that Katy's drive and enthusiasm for developing services will prove a real asset to YCT.

Emma Adams to the role of Service Coordinator.

Having previously volunteered with YCT, Emma knows the charity well and will be joining us as a member of YCT staff at the beginning of August. Emma brings with her a strong mix of therapeutic and operational experience which will undoubtedly give her all the skills she needs to be successful in the Service Co-ordinator role.
